Red Ribbon Week is quickly approaching. Once again, we are planning our Trick or Trunk to go along with the classroom parade and parties. Last year several businesses in town supported our Trick or Trunk by ordering an item, applying a drug free message, and decorating a trunk to participate in this educational and fun event for our students. We are looking for even more participation from businesses in the community this year to help us celebrate Red Ribbon Week and by getting the message out to be drug free! Parents have also been invited to donate and decorate their trunks to participate. We believe that the community support for this project is extremely important. Please consider supporting this educational activity at the school – our students really enjoy it!

This event will take place on **Thursday, October 31st, 2024**, at **1:30pm** and will last approximately 1 hour. If the weather is not cooperative, we will move in to the gym at different stations.

If you plan on participating or have any questions, please call Trisha at 712-382-2017. Thanks for your help with this fun project!

Please return this form by **October 4, 2024**, to Trisha Peeler in the office or email: tpeeler@hamburgcsd.org
